## Astoria Wins At Football

A Hard Contest Waged on Local  
Grounds Between Home  
Team and Ilwaco.

The football game Sunday, played between the Ilwaco and Astoria teams, was attended by a good sized crowd that evinced marked enthusiasm throughout the contest. The game was the hardest fought contest yet seen on an Astoria field. The score can hardly be said to tell the relative merits of the two teams. Throughout the entire game the ball was in Ilwaco's territory and a large part of the time within the 20 yard line. Astoria's goal was never in danger and unlucky fumbles deprived the home team of a large score.

### GAME IN DETAIL.

Ilwaco wins the toss and chooses the south goal. Astoria kicks to the five yard line where Tallant downs the man in his tracks. Astoria fails to make the necessary five yards and punts to the 40 yard line, Stockton making the catch and bringing it back 10 yards. Barker makes six yards over right tackle. Knutsen goes straight through for two yards. Barker goes over tackle for one yard and the ball was on Ilwaco's two yard line, Astoria leaving one more chance to carry it across. Sutton takes the ball from tackle's back position for a straight plunge, fumbles, ball rolls over the goal line and an Ilwaco man falls on it, making a touchback, robbing Astoria of a score when a touch down seemed inevitable. The ball was brought out to the 25 yard line, Ilwaco choosing to put it into play by scrimmage rather than by kicking out. At this point Ilwaco showed greater dash than at any other period of the game. Seaborg plunges over right tackle for two yards, Payne goes through Gammal for four yards, making first down for Ilwaco. Colbert makes four yards around Wedel and Payne slashes through Minard for 10 more. Astoria takes a brace and holds for down, Astoria's ball in Ilwaco's 45 yard line. Knutsen circles left end for six yards. Barker repeats the performance on the other side for five more. Stockton makes a quarter back run for four yards and Knutsen pounds Wilson for four more. Barker on a straight back makes 10 yards when time is called with the ball 14 yards from Ilwaco's goal and Astoria working desperately for a touchdown. Score, 0-0.

Second half opens with Ilwaco kicking to Astoria. Knutsen returns 15 yards, Tallant goes through the veteran Wilson for five yards, and duplicates the performance in the next play. Ilwaco's line stiffens, Barker and Knutsen fail to negotiate the necessary yardage and Tallant punts 40 yards to Ilwaco's 30 yard line. Ilwaco was held for downs, the pigskin passing over to Astoria. Graham skirting the right end for 25 yards, bringing the ball to Ilwaco's five yard line. Tallant smashes through the left side of the line for the only score of the game. Barker kicks the goal, making it Astoria 6, Ilwaco 0. Astoria kicks to Ilwaco, Payne bringing it back 10 yards to the 25 yard line. Ilwaco was again able to pierce Astoria's line and punts 30 yards to Stockton who was downed for a loss. Astoria's backs hurled themselves against Ilwaco's line in vain, and Tallant punted out of grounds at Ilwaco's 20 yard line. Ilwaco returns punt to middle of field. Here the time keepers gave the usual warning that there was but five minutes more to play. Tallant by a succession of line smashing plunges carried the ball to Ilwaco's 10 yard line where Astoria lost by a luckless fumble. Ilwaco punting out of bounds at the 25 yard line. Astoria again took up the march toward Ilwaco's goal by a series of seven masses in tackle and straight backs. On their two yard line, Ilwaco by a wonderful display of pluck held and forced the aggressive Astorians to surrender the oval. Ilwaco punted but Sutton broke through, blocking the punt, Seaborg, however, falling on the ball for a gain of two yards for Ilwaco. Payne again tries Gammal for six yards and ball went to Astoria on a fumble. Knutsen makes five yards over tackle, Barker on a straight plunge nets four more, but before another play could be attempted time was called, the ball being in Astoria's possession in Ilwaco's 10 yard line.

### A MATTER OF RECIPROCITY

Home Institutions Should Claim Business of Astoria.

The attention of The Astorian's readers is called to the fact that the North Pacific Brewery cost over \$200,000 and dispenses thousands more yearly for hire. This institution has had a proposition to move to Portland without cost to themselves and, in fact, large inducements have been offered them which they have firmly and at all times refused to consider.

The North Pacific is a large and important manufacturing enterprise. Its product is the purest and the best, and can be used in all cases where prescribed medicinally without any fear as to the results.

The home-brewed product is not claimed to be the best in the world but it is the best on the coast.

The N. P. people pay out thousands of dollars for wages. It is one of the largest taxpayers in the city. Besides it pays large sums into the coffers of the city for water.

### DOESN'T RESPECT OLD AGE.

## MEDICAL LAKE SALTS

NOT A CATHARTIC — NOT A PATENT MEDICINE.

### So long as Medical Lake can Provide

the requirements of an enfeebled constitution, you need not suffer. Here are Nature's own remedies, direct from the hand of the Great Creator, brought to you in the shape of pleasant, agreeable, health-giving Salts, evaporated by our process. They have just absolutely no virulence—no strength. By analysis, the waters of Medical Lake contain twelve ingredients, each and all standards of the pharmacopoeia. By analysis the Salts have the same in exactly the same proportion. Nature has compounded them so efficiently that man has tried and tried in vain to make them. But art can never compete with nature, when nature evolves a masterpiece. That the Salts are a masterpiece, their history proves. To Medical Lake, a little woodland gem hidden high up in the mountains, among the forests of Washington, the Indians for centuries came. Here they worshipped, and drank of the pleasant waters. The well were made stronger and thrived on the delicious beverage, and the sick and ailing were restored. In all diseases of the BLOOD, RHEUMATISM, NEURALGIA, TALARIA, and in all cases of KIDNEY and LIVER TROUBLE, MEDICAL LAKE SALTS WILL TAKE A CURE, if taken faithfully; yes, cure as sure as the sun shines. Man, with all his learning and his cunning, his experience and his skill, cannot make remedies like these, which nature freely gives.

25 CENTS, 50 CENTS AND \$1.00 A BOX, AT DRUG STORES

The Salts are also reduced as a convenience, to Tablet form; five grains in each Tablet. Such a Tablet dropped into a glass of water, makes a remedy for the same troubles and at the same time an equally delightful cooling beverage

Gentlemen—was stricken with violent attack of sciatic rheumatism. Fever was at top notch, and I suffered excruciating pain. Everybody who saw me said that the mineral water did not exist that would cure sciatic rheumatism. Nevertheless, I determined to try Medical Lake before going elsewhere. Only three weeks' treatment was required to set me on my feet and enable me to look after my business. To make sure of no possible return of the disease, however, I continued the daily baths for a period
